PROFESSIONAL COLLECTION

Heavy Duty Builder's Bag™

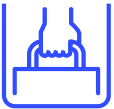

Best bag for the job

This is the contractor bag that's exactly what you need it to be – big enough to hold a massive load, won't tear when you lift it, and simple to move from where you fill it to where it's going.

Versatile

- Store & Transport: Debris, Kindling, Stone, Gravel, Wood, Rubber, Soil, Sand, Etc.
- Construction.
- Demolition.
- Landscaping.
- Hauling jobs.
- Storm debris collection.
- Portable dumpster jobs.

Easy to Use

- Open Top/Flat Bottom.
- Reinforced lifting loops for easy transport.

Durable

- Can hold up to 2,200 lbs.
- Tough woven polypropylene fabric.
- Tear resistant.
- Holds up to one cubic yard of dry material.

Dimensions:

35" L x 35" W x 40" H
